After breakfast, we will visit the UNESCO protected Old Town of Dubrovnik, where a local guide will take you on a sightseeing tour, acquainting you with the most important monuments and hidden spots. After returning to the ship, we set sail for Slano, a picturesque town in a deep cove a few hours North of Dubrovnik. After lunch onboard and a swim stop we will arrive in Slano. Early in the morning, we depart for Mljet, one of the most beautiful and the most densely forested islands of the Adriatic. Isolated and untouched, the island is known for its mysticism, olive groves, vineyards, and rich forests. Take in the rich flora and fauna, and peacefully enjoy the pristine beauty of natural surroundings. After lunch on board and a swim stop along the way, we arrive in the town of Pomena (population: 52!). Upon arrival in Pomena, a visit to a national park encompassing most of the island is planned. The park's highlights are the two saltwater lakes - the Little Lake and the Big Lake with its Benedictine monastery on the Isle of St. Mary. SEPTEMBER 16 - DAY 5 - WEDNESDAY • KORČULA - VIS

In the morning we set sail towards the island of Vis. With lunch on board and a swim stop along the way, we arrive in Vis in the early afternoon. The island of Vis, formerly a major naval base, was closed to tourists from 1945 until the breakup of Yugoslavia in the 90's, which helped preserve the authentic appearance of its villages. In the afternoon you will have time to enjoy Vis at your own pace and enjoy everything it has to offer. We suggest a visit to the Archaeological Museum, located in the old Austrian fort Gospina Batarija (Batteria della Madona) right on the shoreline, or just a simple stroll along the seaside promenade. Most of the bars and restaurants are located along the shore so you are sure to find a lovely place to have dinner. You can always get some good tips for dinner or points of interest from your cruise manager.

After this enchanting experience we continue our journey towards Hvar, the longest island in Croatia, the sunniest in all Europe (2724 hours of sunshine per year) and undeniably among the most beautiful islands in the world.
